

Child Care 24/7

Peninsula Regional Medical Center Child Care, an on-site childcare facility licensed by the State of Maryland Child Care Administration, was the first group Infant Center in the state of Maryland. Serving children from the age of 2 months through 5 years, the Center opened in September 1987. The Center benefits the

employees of Peninsula Regional Medical Center who use the center for their work and related needs.

Eligibility

- The Child Care Center is available to active and regularly scheduled full time, part time and standby Peninsula Regional employees who receive a regular paycheck from the Medical Center for the time they are working or are on Medical Center business. The Child Care Center is also available to employees who require sleep time.
- Registered college scholarship students may use the Center when attending class or activities related to obtaining a degree.
- Open to Physicians with admitting privileges.

Costs

- The Center is open 24 hours a day, seven days a week as needed, except for New Years, Easter, Memorial Day, July 4th, Labor Day, Thanksgiving and Christmas.
- Usage of the Child Care Center needs to be scheduled in advance.
- Employees will be charged, through payroll deduction, on an hourly basis with a 3-hour minimum.
- Our rates are competitive. Please contact the Center for current rates for infants and children over 2 years of age.
- Unfortunately, we do not participate in the DSS Purchase of Care program.
