

# ***Preceptors for the PGY1 Residency Program at Peninsula Regional Medical Center***

## **Danielle Austin**

Danielle Austin is an Oncology Pharmacist at Peninsula Regional Medical Center. Danielle received her Bachelor of Science in Pharmacy degree in 1990 from Howard University. Danielle is a Board Certified Oncology Pharmacist.

## **Sarah Benner**

Sarah Luttrell is the psychiatric clinical pharmacist at Peninsula Regional Medical Center, and an Assistant Professor of Pharmacy Practice and Administration at the University of Maryland Eastern Shore School of Pharmacy.

Sarah received her bachelor's degree in Biology from the University of Virginia, and her PharmD from the University of Maryland, Baltimore. She completed her PGY1 at Sentara Rockingham Memorial Hospital Center in Harrisonburg Virginia. She then completed her PGY2 in psychiatry in University of Maryland Baltimore School of Pharmacy practicing at several state psychiatric hospital centers.

At the school of pharmacy, Sarah currently teaches in the psychiatry modules, as well as the Integration of Pharmacy Practice and Transition to the Profession courses. Her current research interests include optimization of patient care and substance abuse.

Sarah is a Board Certified Pharmacotherapy Specialist and Psychiatric Pharmacist.

## **Joseph Benner**

Joseph Benner is a pharmacy informatics analyst at Peninsula Regional Medical Center.

He received his Doctorate of Pharmacy from the University of Maryland Baltimore School of Pharmacy in 2014.

Joseph worked as a staff pharmacist until transitioning to his current role as an analyst for the Willow application in Epic as well as the ConnectRx and DoseEdge pharmacy automation systems

### Ralph Bunting

Ralph Bunting is a clinical pharmacist at Peninsula Regional Medical Center. After working as a pharmacy technician at PRMC Ralph graduated from Campbell University School of Pharmacy in 2009. He rejoined the team at PRMC after working in community pharmacy and works primarily on the pharmacotherapy service.

### Bill Cooper

Bill Cooper is the Ambulatory Pharmacy Manager at Peninsula Regional Medical Center. Prior to Bill's current position he served as pharmacy operations manager for the department. Bill has practiced pharmacy on the Eastern Shore of Maryland his entire career and has experience in the retail, home infusion, long term care and acute care arenas.

Bill received his Bachelor of Science in Pharmacy from the University of Maryland Baltimore School of Pharmacy in 1984.

In addition to being a licensed pharmacist (immunization certified) in Maryland and Delaware, Bill is a member of the local fire department with 32 years of active service that includes being a Certified Rescue Technician, a Certified Farm Medic and continues to be involved in EMS as a current Emergency Medical Technician.

### Rachel Cordrey

Rachel Cordrey is a Pharmacy Supervisor in central pharmacy operations at Peninsula Regional Medical Center.

Rachel Cordrey graduated with a Bachelor's of Science in Biological Sciences from the University of Maryland College Park in 2011, then a Doctorate of Pharmacy from the University of Maryland Eastern Shore School of Pharmacy in 2014. Rachel is currently working towards a Master's in Healthcare Administration from the University of Maryland University College. She has served as the Pharmacy Supervisor of inpatient operations at Peninsula Regional Medical Center since 2016.

### Ashley Dennis

Ashley Dennis, a Board Certified Pharmacotherapy Specialist, is a pharmacy informatics analyst working primarily with EPIC, Connect RX, and DoseEdge systems at Peninsula Regional Medical Center. Ashley also works as a staff pharmacist at Peninsula Regional Medical Center on a per diem basis.

Ashley received her Doctorate of Pharmacy Degree in 2013 at The University of Maryland Eastern Shore School of Pharmacy. She then completed a 1 year ASHP accredited pharmacy practice residency at Peninsula Regional Medical Center in 2014.

### Patrick Dougherty

Patrick Dougherty is a clinical pharmacist in the emergency department and trauma center at Peninsula Regional Medical Center and the coordinator of the PGY-1 pharmacy practice residency program.

Patrick received his PharmD from the University of Rhode Island College of Pharmacy in 2008. He completed a two-year clinical toxicology fellowship at the University of Maryland Baltimore School of Pharmacy and the Maryland Poison Center from 2008 – 2010, and then joined PRMC as a clinical pharmacist. He is a member of the hospital's stroke and acute MI teams, as well as serving on the Wicomico County Drug Abuse Task Force. He also coordinates the hospital's monthly Pharmacy Grand Rounds continuing education seminars and precepts students on advanced pharmacy practice experiences in the emergency department.

Patrick is a Board Certified Pharmacotherapy Specialist.

### Dana Fasanella

Prior to joining the UME School of Pharmacy and Health Professions, Dr. Fasanella completed her Post Graduate Year 2 (PGY2) residency in Ambulatory Care with an Emphasis in Academia with the University of Tennessee College of Pharmacy. She completed her PGY1 Community Practice Residency with The University of Texas at Austin and H.E.B. Pharmacy.

Dr. Fasanella received both her Doctor of Pharmacy and Master of Science in Clinical Research from Campbell University. She received her Master of Arts in Liberal Studies, Bachelor of Science in Biology, and Bachelor of Arts in Philosophy and Religion from the University of North Carolina at Wilmington.

Dr. Fasanella holds active pharmacy licenses in Maryland, Tennessee, Texas, and North Carolina. She also holds a Texas State Board of Pharmacy Preceptor Certificate. Her professional associations include: American Pharmacists Association, American College of Clinical Pharmacy, American Association of Diabetes Educators, Kappa Psi

Pharmaceutical Fraternity, Inc., and the Maryland Pharmacists Association.

Practice interests include diabetes, hyperlipidemia, hypertension, anticoagulation, asthma, and COPD management. Dr. Fasanella is interested in practice-based research that serves to evaluate and improve pharmacist provided clinical services.

**John Jordan**

John Jordan is the Clinical Pharmacy Coordinator and Residency Program Director for Peninsula Regional Medical Center. John is also an Associate Professor for the UMES school of Pharmacy.

John received his Doctorate of Pharmacy degree in 1995 from the University of Maryland Baltimore School of Pharmacy. He then completed an ASHP accredited Residency in Pharmacy Practice at Shore Health System in Easton, MD under the direction of Dr. Tom Sisca.

John is a Board Certified Pharmacotherapy Specialist.

**Dennis Killian**
