

***Preceptors for the PGY1 Residency Program at  
Peninsula Regional Medical Center***

**Danielle Austin**

Danielle Austin is an Oncology Pharmacist at Peninsula Regional Medical Center. Danielle received her Bachelor of Science in Pharmacy degree in 1990 from Howard University. Danielle is a Board Certified Oncology Pharmacist.

**Joseph Benner**

Joseph Benner is a pharmacy informatics analyst at Peninsula Regional Medical Center.

He received his Doctorate of Pharmacy from the University of Maryland Baltimore School of Pharmacy in 2014.

Joseph worked as a staff pharmacist until transitioning to his current role as an analyst for the Willow application in Epic as well as the ConnectRx and DoseEdge pharmacy automation systems

**Ralph Bunting**

Ralph Bunting is a clinical pharmacist at Peninsula Regional Medical Center. After working as a pharmacy technician at PRMC Ralph graduated from Campbell University School of Pharmacy in 2009. He rejoined the team at PRMC after working in community pharmacy and works primarily on the pharmacotherapy service.

**Bill Cooper**

Bill Cooper is the Ambulatory Pharmacy Manager at Peninsula Regional Medical Center. Prior to Bill's current position he served as pharmacy operations manager for the department. Bill has practiced pharmacy on the Eastern Shore of Maryland his entire career and has experience in the retail, home infusion, long term care and acute care arenas.

Bill received his Bachelor of Science in Pharmacy from the University of Maryland Baltimore School of Pharmacy in 1984.

In addition to being a licensed pharmacist (immunization certified) in Maryland and Delaware, Bill is a member of the local fire department with 32 years of active service that includes being a Certified Rescue Technician, a Certified Farm Medic and continues to be involved in EMS as a current Emergency Medical Technician.

**Yen Dang**

Dr. Yen Dang is an Assistant Professor of Pharmacy Practice and Administration. She earned her Doctorate of Pharmacy from the University of the Sciences in Philadelphia and completed a specialized residency in ambulatory care at Temple University School of Pharmacy.

Her practice site is located at Three Lower Counties Community Services in Princess Anne, MD. She serves as a co-advisor for the Student National Pharmaceutical Association (SNPhA) and Rho Chi Honor Society.

Dr. Dang is a member of the Maryland Pharmacists Association and American Association of Colleges of Pharmacy. She is also certified as an immunization provider. She serves as the lead organizer for international medical missions at the School of Pharmacy.

**Ashley Dennis**

Ashley Dennis, a Board Certified Pharmacotherapy Specialist, is a pharmacy informatics analyst working primarily with EPIC, Connect RX, and DoseEdge systems at Peninsula Regional Medical Center. Ashley also works as a staff pharmacist at Peninsula Regional Medical Center on a per diem basis.

Ashley received her Doctorate of Pharmacy Degree in 2013 at The University of Maryland Eastern Shore School of Pharmacy. She then completed a 1 year ASHP accredited pharmacy practice residency at Peninsula Regional Medical Center in 2014.

**Patrick Dougherty**

Patrick Dougherty is a clinical pharmacist in the emergency department and trauma center at Peninsula Regional Medical Center and the coordinator of the PGY-1 pharmacy practice residency program.

Patrick received his PharmD from the University of Rhode Island College of Pharmacy in 2008. He completed a two-year clinical toxicology fellowship at the University of Maryland Baltimore School of Pharmacy and the Maryland Poison Center from 2008 – 2010, and then joined PRMC as a clinical pharmacist. He is a member of the hospital’s stroke and acute MI teams, as well as serving on the Wicomico County Drug Abuse Task Force. He also coordinates the hospital’s monthly Pharmacy Grand Rounds continuing education seminars and precepts students on advanced pharmacy practice experiences in the emergency department.

Patrick is a Board Certified Pharmacotherapy Specialist.

**Dana Fasanella**

Prior to joining the UMES School of Pharmacy and Health Professions, Dr. Fasanella completed her Post Graduate Year 2 (PGY2) residency in Ambulatory Care with an Emphasis in Academia with the University of Tennessee College of Pharmacy. She completed her PGY1 Community Practice Residency with The University of Texas at Austin and H.E.B. Pharmacy.

Dr. Fasanella received both her Doctor of Pharmacy and Master of Science in Clinical Research from Campbell University. She received her Master of Arts in Liberal Studies, Bachelor of Science in Biology, and Bachelor of Arts in Philosophy and Religion from the University of North Carolina at Wilmington.

Dr. Fasanella holds active pharmacy licenses in Maryland, Tennessee, Texas, and North Carolina. She also holds a Texas State Board of Pharmacy Preceptor Certificate. Her professional associations include: American Pharmacists Association, American College of Clinical Pharmacy, American Association of Diabetes Educators, Kappa Psi Pharmaceutical Fraternity, Inc., and the Maryland Pharmacists Association.

Practice interests include diabetes, hyperlipidemia, hypertension, anticoagulation, asthma, and COPD management. Dr. Fasanella is interested in practice-based research that serves to evaluate and improve pharmacist provided clinical services.

**Valarie Sharma**

Valarie Sharma is a Pharmacy Supervisor in central pharmacy operations at Peninsula Regional Medical Center.

Valarie received her Doctorate of Pharmacy degree in 2014 from the University of Nebraska Medical Center College of Pharmacy. She then completed an ASHP accredited Residency in Pharmacy Practice at Peninsula Regional Medical Center in Salisbury, MD under the direction of Dr. John Jordan.

**John Jordan**

John Jordan is the Clinical Pharmacy Coordinator and Residency Program Director for Peninsula Regional Medical Center. John is also an Associate Professor for the UMES school of Pharmacy.

John received his Doctorate of Pharmacy degree in 1995 from the University of Maryland Baltimore School of Pharmacy. He then completed an ASHP accredited Residency in Pharmacy Practice at Shore Health System in Easton, MD under the direction of Dr. Tom Sisca.

John is a Board Certified Pharmacotherapy Specialist.

**Dennis Killian**

Dennis Killian, PharmD, PhD, graduated from the University of Maryland-Baltimore School of Pharmacy, obtaining a PharmD in 1999 and a PhD in Pharmaceutical Sciences in 2001.

He currently serves as director of pharmacy services at Peninsula Regional Medical Center where he has been employed since 2004.

Dennis also serves as an associate professor of Pharmacy Practice and Administration at the University of Maryland Eastern Shore School of Pharmacy since 2010.

Prior to his position at Peninsula Regional, Dennis has worked in staff/clinical capacities at Shore Regional Health in Cambridge, MD and Upper Chesapeake Health System in Havre de Grace, MD.

**Michael Miller**

Michael Miller is a Clinical Pharmacist at Peninsula Regional Medical Center. His main focus is on antibiotic use and antimicrobial stewardship. He is also an assistant professor for the UMES School of Pharmacy and health professions.

Michael received his BA at SUNY Buffalo and then his BS in pharmacy and PharmD at Albany College of Pharmacy and Health Sciences in 1998. He then completed a residency in Infectious Diseases at Albany Medical Center in Albany NY under the direction of Drs. Ben Lomaestro and Lauri Briceland.

Michael is a Board Certified Pharmacotherapy Specialist.

**Lana Sherr**

Dr. Sherr is an Assistant Professor of Pharmacy in the Department of Pharmacy Practice and Administration. She has a clinical practice site in the Ambulatory Care clinics at the Three Lower Counties Community Services in Salisbury, MD and Pocomoke, MD.

Dr. Sherr earned her Doctor of Pharmacy Degree and Bachelor of Science in Pharmacy Degree from the Lebanese American University in Byblos, Lebanon. She then went on to pursue a PGY-1 pharmacy practice residency with emphasis on Ambulatory Care and Public Health at Samford University, McWhorter School of Pharmacy in Birmingham, AL.

Dr. Sherr teaches in pharmacotherapy modules and serves as a preceptor for APPE students at her practice site. She is a member of ASHP, AACP, ACCP, and board member of Maryland Public Health Association (MdPHA). She is currently the faculty advisor for the American Society of Health System Pharmacists-Student Societies of Health System Pharmacy (ASHP-SSHP) chapter, and she also serves as a faculty liaison to MdPHA.

**Sahil Sheth**

Sahil Sheth is the critical care pharmacist at Peninsula Regional Medical Center and an Assistant Professor of Pharmacy Practice and Administration at the University of Maryland School of Pharmacy.

Sahil received his bachelor's degree in Microbiology from the University of Maryland - College Park, and is an alumni of the University of Maryland Eastern Shore's School of Pharmacy. He completed his post graduate year pharmacy residency at Suburban Hospital - Johns Hopkins Medicine where he focused primarily on antimicrobial stewardship and critical care medicine.

At the School of Pharmacy, Sahil currently teaches critical care, infectious diseases, and gastrointestinal medicine. His present research interests include effective antimicrobial dosing and stewardship in critically ill patients, and improving patient outcomes in end stage liver disease.

**Dae Yim**

Dae Yim is a clinical pharmacist at Peninsula Regional Medical Center. Dae graduated from the University of Maryland-Baltimore School of Pharmacy in 2000 with a dual degree, PharmD/MBA. In addition to his job at PRMC, Dae served as Chief Executive Officer for the startup pharmaceutical waste company, [www.ScanNDC.com](http://www.ScanNDC.com). Dae joined the clinical team at PRMC in 2005. His main area of interest is a palliative care and renal transplant medicine.
